## ~~~~~ Company Profile ~~~~~

### Ocean Marine Brokerage Services

#### **Operations:**

Established in 1981

Prior ownership of other commercial brokerage companies since 1978

Main office - Schriever, Louisiana

Branch offices –Texas, Florida

Agents – Tennessee, Texas, Massachusetts, Florida, Washington

Primary business function is the brokerage of commercial maritime vessels: Fishing, Crewboats, Oil field supply vessels, Passenger, Tugs, Barges, and Cargo vessels, etc.... Company enjoys a highly visible position in the national and international markets.

Supporting services include: Vessel documentation services; Escrow services; Vessel surveying services; Finance consultation; Custodianship of vessels; Worldwide delivery services; General commercial maritime consultation services; and Sales services of marine electronic equipment, gear, and supplies.

Staff: The staff of Ocean Marine consists primarily of U.S. Coast Guard licensed captains who have been active in all phases of the commercial vessel industry from fishing to oilfield work to passenger vessels.

Clientele is generated from a wide array of industry specific advertising and promotional activities, client referrals, personal and business contacts, and has in the last 30 years been from a broad overseas market.

Ocean Marine also provides secure custodianship of vessels for the U.S. Marshall Service and banking institutions through foreclosures and seizures, as well as general dockage and security. We have storage facilities in both the Eastern and Western Federal Court Districts of Louisiana as well as in the Eastern District in Texas, and Florida. Extensive knowledge and experience in the maritime industry as well as being an authorized custodian for the U.S. Marshal Service gives Ocean Marine Brokerages Services an upper hand in the care of seized vessels.

Our yards are located along the United States Gulf Coast. We can moor both commercial and private sector vessels including but not limited to; crew boats, supply vessels, shrimpers, tugs, and barges. Providing Vessel sales, marketing and post-sale ship management, Competitive pricing, secure location, extensive knowledge, experience crew and professional handling and comprehensive reporting on every project accepted.

Extensive experience in foreign transactions and vessel sales with over 85% of our business being generated from foreign interests.
