

SELLING YOUR BOAT??

Take Advantage of Our Advantages

WHEN USING OUR SERVICES YOU'LL BENEFIT FROM OUR ADVANTAGES

Ocean Marine Brokerage Services is a full service commercial vessel brokerage firm specializing in the sales of commercial vessels of all types, and enjoys a highly visible position in both the national and international market. *Ocean Marine Brokerage Services* has been centered in the commercial brokerage activity since 1978 with offices located in the U. S. Gulf and agents located throughout the U.S. Our clientele is generated from a wide array of industry specific advertising and promotional activities, client referrals personal and business contacts. With the nature of today's ever-changing business face *Ocean Marine Brokerage Services* has positioned itself for international business, and as such over the last 20 years has generated over 85% of its purchasing clientele from an overseas market. Through this extensive background in international sales, *Ocean Marine Brokerage Services* is well versed in all the intricacies involved in doing international business.

BENEFITS

Advertising & Promotions— at our expense, and targeted to the potential buyers who seek your specific type of vessel. Your vessel will be exposed to every prospect who is looking for your type of vessel, including on our worldwide web internet site.

Worldwide Exposure—Our Buyers come from every part of the globe—a far reaching source of potential buyers....

Buyer Pre-Qualifications—Prospects are pre-qualified as serious buyers, saving your time and money “weeding out” potential buyers.

Commercial Vessel Experts— Our agents are seasoned Captains and sales agents who know the business of selling vessels as well as the world market.

Supporting Services— We offer all related supporting services to the seller and buyer, such as delivery services, electronic sales, surveys, Panama Canal transits, etc.

Professional and Legal Documentation Services—We have years of experience with Coast Guard documentation preparation as well as many foreign. In addition, we can arrange for flag changes including load lines and all associated paperwork....
