## ELECTRONICS

AUTO PILOT:	YES
DEPTH FINDER:	YES
PLOTTER:	No
EPIRB:	YES expired

GPS:	YES
RADIO VHF:	YES
RADIO SSB:	No
RADAR:	YES

---

## DESCRIPTION

Used 105ft Aluminum Crew Boat For Sale. Vessel in very good condition. This was a working vessel for a major cruise line operating in the Bahamas. She was used to transport staff from the island where they live to the private cruise ship island for the day when the ships were in and then back home at the end of the day. She also carried freight back and forth from the ships to the island. She was replaced by a new larger vessel and stopped operations on March 11, 2019 Hauled out of the water awaiting a new owner. Due to the nature of her work she has always been maintained to the highest standards and regularly dry-docked. She has air conditioned seating for 86 passengers and living and cooking accommodations for six crew. It would make an ideal conversion to an inter-island freight boat or even a liveaboard dive vessel. Main engines are at 17,000hrs and the third is at 11,000hrs. Generators are at 1,200 and 8,760hrs. Sea trialed in Jan 22' and in full operation daily
