DESCRIPTION

JUST REDUCED!!! Used **Very well equipped 135 foot landing craft for sale**. Fitted with 10-ton crane, HD anchor winch, 750lb. anchor, bow, and stern ramp. Loaded with electronics including Autopilot, SSB, 72-mile radar, AIS, GPS, VHF and Wagner controls. This vessel is operational as is, however, it will need upgrades before going to work. very well-equipped 135' landing craft with 10-ton crane. an ex-ASDV 1 boat (Advanced Seal Delivery Vehicle) Long displacement 200 tons, full load 375 long tons, service speed 10 knots, 2 main engines Detroit diesel 12V-71, 2 propellers inside Kort nozzles, 3 steering rudders, one 10-ton diesel electric rotating crane, solid boom. She is an LCU, 1610 class, 72 of this class were built. The vessel is equipped with three 60 kW gensets, each run by 4-71 Detroit diesel engines. All are in excellent running condition. They can support a freezing container or more very easily. The vessel can carry between 90 and 115 standard containers. Haul out, inspection, update on repairs and new zincs installed April 2022. The vessel needs repairs primarily in the center compartment which is leaking repairs can be made with doublers from inside. Every other day, someone removes any water from the center area, and every three weeks owners start the engines, generators, and crane to keep them in shape.
